Installation and Maintenance Service

Initially, we will **establish a remote connection** to your system,
analyze your existing configuration to ensure compatibility,
document your specific needs,
install the update and **test** the results.

We will also provide support as needed when you run **your first 2017 payroll**.
Subsequent updates will be installed via remote access as they are released.
Installation **can be scheduled outside of business hours** to avoid downtime.
Also includes **free consultation on payroll best practices** at time of installation.

Required for first time subscribers
